Congressionally-Directed Appropriations Requests for FY 2010

House Committee on Appropriations Subcommittee on Labor, HHS, and Education

Jewish Hospital Medical Center South - \$31,000

Jewish Hospital & St. Mary's Health Care
220 Abraham Flexner Way
Louisville, KY 40202

The Bullitt County community has seen rapid population increases, as well as an increased number of patients with heart disease. The rural regional hospital is in need of cooling blankets that would increase survival rates for heart attack patients.

WKU Owensboro Classroom/Laboratory Building - \$500,000

Western Kentucky University
1906 College Heights Blvd.
Bowling Green, KY 42101

Western Kentucky University offers the only 4-year, public degree program in Owensboro, which is Kentucky's third largest city. The campus will soon receive a new classroom and laboratory building and there is a great need for lab equipment and computers.

Retool Today's Workforce - \$500,000

Campbellsville-Taylor County Industrial Development Authority
107 W. Broadway
Campbellsville, KY 42718

The Campbellsville-Taylor County Industrial Development Authority leads the region's economic development efforts. The funding would enable them to retrain a portion of the workforce, ensuring a technically skilled workforce for local industries.
